**Subject:** Bahrain Update

Good afternoon,

I wanted to share an op-ed in RealClearWorld from Bahraini Ambassador to the United States Abdulla Bin Rashid Al Khalifa titled "[Innovating for Responsible Governance During COVID](#)." He discusses the ways leaders around the world are tackling the threat of the coronavirus, noting, "The threat that Covid-19 poses is comprehensive and would be insurmountable, if not for the creativity of today's leaders, be they in government, business, or our local community." The full article can be found [here](#).

Please let me know if you have any questions.

Best,

Mark
